

“Share your faith every day as a way of life!”

How The Lord Used Us in MAY 2020

Greetings!

I am sending this month's report out early, because I have some important news. This month I was scheduled to speak at a men's conference in upstate NY. Due to the imposed health restrictions, the event was cancelled. However, I was asked if I'd be willing to do a shorter "virtual" event online instead of cancelling the event. I have never done one of these, but I said, "Sure"! I asked if I could send this out to my mailing list and invite women and teens to participate, and they agreed. We did one hour of the event Friday night and two hours on Saturday morning. We had 198 registered and about 150 people actually participated. These people were from 14 states and Mexico! Wow! People from some states I have never taught in also participated. These new states were IN, MN, and AZ. AND, we had one person from Mexico attend! According to the evaluation forms, there were 3 decisions for Christ! Praise God!

With the great success of this first-time virtual event, I have decided to do these once a month beginning in June. They will be held on the first Monday and Tuesday of each month from 7:30 PM - 9:00 PM Eastern time. There is no charge to participate in the event(s), but there will be an opportunity to make a donation to support our ongoing full-time ministry. People can register on our ministry home page. As we approach the beginning of the month, a handout will be sent out to those registered with log-in instructions.

These "Virtual" events will allow us to equip we'd never have the opportunity to train, and Lord willing, open doors of ministry for us to go to new churches to teach the full 4-hour Live Event. PLEASE PASS THE WORD to church leadership, friends, and relatives!

Here's part of a testimony I received this week:

"Yesterday we listened to some of your messages again and God sent an amazing divine appointment! My wife said she just felt compelled to get out of the car and talk to a woman. The woman just started sharing how depressed and angry she is. My wife shared the gospel with her, gave her some gospel literature and we plan to follow up with her later. It's amazing what happens when you start asking why am I crossing paths with the people around me. Thanks for your motivation and equipping."

As I have been running errands this month, I have stopped numerous times when I've seen police officers parked on the side of the road to share a police Gospel card with them and pray for them. I didn't lay hands on them and pray for them as I usually do, but I prayed for them following the "social distancing" guidelines. One morning I was at the grocery store early, and I got to share with a police officer and then a police dispatcher who were at the store on their way home from working the night shift.

We are a faith-based ministry and rely on our regular monthly supporters AND the love offerings that we get at our MAD Live Events to be able to serve Christ full time vocationally. Our regular monthly support is at about 60%. With so few Live Events on the calendar to begin with, and with the cancellation of many of these due to the pandemic, we don't have the 40% coming in, and we're unsure when we will be getting our next love offering. In addition, the pandemic could certainly affect our regular monthly supporters' ability to continue to give monthly. The bottom line is we need your prayers and if possible, your financial support! Please be in prayer as to how you may help.

PRAYER REQUESTS

- Schedule - As things begin to return to normal, please pray that all of the cancelled events will be rescheduled, and many new events will be added.
- Finances - many of you are experiencing these struggles in your personal life as well. Our prayers are with you as you pray for our needs as well!
- Our first MAD "Virtual" Event on June 1-2 - for great attendance, exposure, and God's Holy Spirit to move in the hearts of those attending. Please pray that this exposure will open doors to teach in churches.
- Health - please pray we continue to remain healthy.
- For God to provide the \$3,400 that we need to publish our book
