

“Share your faith every day as a way of life!”

How The Lord Used Us in SEPTEMBER 2020

PLEASE MAKE A NOTE OF OUR NEW PHONE NUMBER AT THE BOTTOM OF THE PAGE

Greetings!

In September, I did one virtual event in partnership with “The Journey FM”, Liberty University’s radio station, and one Live Event at First Baptist Church in Brevard, NC. We had about 70 people participate in the “Virtual” Event. A man who attended our Live Event with “The Light FM” in January, worked very hard to promote the Live Event that was to be held at First Baptist Church in Brevard, NC. Due to his efforts, we had 93 people attend from 11 different churches! Pastor Jeff at First Baptist also had us stay over so I could speak at the morning worship service on Sunday. We praise God that 5 people surrendered their lives to the Lordship of Jesus Christ in repentance and faith during the invitation at the morning service!!! Cathy and I were so blessed spending time with Pastor Jeff and so many loving members of his congregation. We look forward to going back to do more ministry there.

A testimony from this month’s one Live Event:

“Jamie and Carissa - Thank you so much for inviting me to the MAD conference. It was wonderful. Great reminders of the importance of being obedient. I’ve been to several “share your faith” workshops over the years all good but this was so practical as we know sharing our faith should be our life style. I feel so encouraged and refreshed after listening today. I know personally for me the times I have shared the gospel God has always been faithful to take over, it’s never me, always Him and when we realize that or are reminded of that the load is lightened and the enemy can’t weigh us down with trying to figure out a plan of how we should share. If we are prayed up, and read up, we are equipped for the Holy Spirit to work through us. I’ve ridden my bike a lot this summer up in the campground and I always end up talking with someone and even have taken some names and told the person I’d pray for them and I have.. but now to step up in my boldness and pray, right then and there, and to have some tracts on hand. What a wonderful time of equipping and empowering with those two things right there. Several I have met say they are Christians but now to follow up with...Great tell me your story, was the greatest reminder. I’ve heard that before but for some reason I have to admit I’ve taken folks at their word to be nice and respectful. But to go that one step further is critical. So that was a great reminder. I’m gonna go for a bike ride tomorrow.

Thank you again and as always it was great to see ya’ll. Great crowd today and I will pray we all produce fruit. I was thinking that every shoebox has the opportunity to touch 10 lives, the child, sibling, parents, grandparents and other family members because when a child receives a box it is big news because most of the children the boxes go to is usually receiving their very first gift in their life. Just think if everyone that attended today reached 10 people how many would hear the Gospel and possibly receive Jesus Christ? What an impact we could make just in Brevard. Love you dear friends, D” - Denise is the Western NC Coordinator for Samaritans Purse Shoebox Ministry.

TRAIL MINISTRY

As our teaching schedule has been so light, it has given me the opportunity focus a little more on our off-road ministry. I have been taking different people out trail riding and sharing the Gospel with the people we have met on the trails and in transit. We have had some amazing encounters that can only be explained as the sovereignty of God. There are short videos that I have recorded about these encounters on YouTube. You can follow my VLOG on YouTube by searching for "Don Sunshine Ministries VLOG". These videos will encourage you and illustrate what I teach in the M.A.D. Live Events.

2021 ULTIMATE ADVENTURE TRIP TO UTAH

Registrations and deposits are coming in! It looks like we'll have enough to do the trip to Utah next summer. If you're interested in going, please contact me ASAP! More information and videos are available on my website. All we need is a deposit and the balance will be due in the middle of May.

FINANCIAL SUPPORT

Our monthly support has now risen to 62%! We are grateful for some new regular supporters!

PRAYER REQUESTS

- PRAISE!!!! - God laid it on the heart of one of our friends to pay for the entire cost of publishing our book! Thank you, Lord, and thank you to this supporter! You know who you are...
- Schedule - As we begin our 13th year of ministry, we didn't have one MAD "Live Event" on the calendar going forward. However, PTL, one came in right before I completed this report. Also, we are grateful that we can do a "Virtual Event" each month through the end of the year, but we'd really like to back in churches in front of a live audience. We are believing God for this to happen. We need your prayers for our Schedule...enough said. Thank you!
- Health - please pray we continue to remain healthy so we can serve Christ
