

“Share your faith every day as a way of life!”

How The Lord Used Us in OCTOBER 2020

PLEASE MAKE A NOTE OF OUR NEW PHONE NUMBER AT THE BOTTOM OF THE PAGE

Greetings!

Things have been extremely quiet in October. The only event we had in October was a “Virtual” Event, which is a shortened, 3-hour version of our full 4-hour Live Event. 9 People were on the call. While it is discouraging that churches are still not willing to book events even into 2021 yet, so we are grateful that we can impact some lives using the Virtual Events. Please pass the word to your church leadership and anyone else who may benefit from our training, and encourage them to sign up for the next Virtual Event to experience what we teach. My heart’s desire and goal is to be teaching in churches twice every weekend except holiday weekends. So, this training drought has been hard on me. I know that God is sovereign, and we will continue to pray that He will open doors of ministry for us and fill our calendar next year!

The phone calls I have made to pastoral leads haven’t generated any events on the calendar, so I decided to do cold calls to churches in our area. I knocked on many doors and was able to meet with 4 pastors, and I shared the training that we do. There was definite interest, so I’ll be following up with them this week. Also, I plan on continuing to knock on doors to see if we can generate some bookings for next year.

We want to say “THANK YOU” to those who have been financially supporting us during this difficult time. Cathy and I cannot express how you have blessed us by sacrificially giving to keep us afloat during these lean months. May God richly bless you for this and please know how grateful we are!

OFF-ROAD MINISTRY

We continue to use this down time to do off-road ministry. I have been taking different people out trail riding and sharing the Gospel with the people we have met on the trails and in transit. We have had some amazing encounters that can only be explained as the sovereignty of God. There are short videos that I have recorded about these encounters on YouTube. You can follow my VLOG on YouTube by searching for “Don Sunshine Ministries VLOG”. These videos will encourage you and illustrate what I teach in the M.A.D. Live Events. Also, as I travel around our area I continue to stop and share the Gospel with police officers and pray with them.

OUR BOOK

We are waiting for the publisher to complete the final process so printing can begin. I expect that will happen any day now. The book will retail for \$14.95 and will be available at all normal book sale locations. Here's what the cover will look like.

PRAYER REQUESTS

- **SCHEDULE** - As we began our 13th year of ministry, we didn't have one MAD "Live Event" on the calendar going forward. However, PTL, one came in right before I completed this report. Also, we are grateful that we can do a "Virtual Event" each month through the end of the year, but we'd really like to back in churches in front of a live audience. We are believing God for this to happen. We need your prayers for our Schedule...enough said. Thank you!
- **HEALTH** - please pray we continue to remain healthy so we can serve Christ
