

“Share your faith every day as a way of life!”

How the Lord Used Us in January, 2022

Greetings Brothers and Sisters!

We started the year off slowly. We completed one M.A.D. Live Event with our favorite partner, “The Light FM” in their new listening area of Rock Hill, SC. We had 171 people registered and 110 people showed up to be motivated and equipped. The feedback that we received on the evaluation forms was very good and encouraging. Several attendees expressed their plans to do the weekly follow up meetings to hold each other accountable, share testimonies, and pray for each other. We have done this in my home church and it’s been exciting to see people putting this into practice. Before they know it, they’ll be sharing their faith every day as a lifestyle. PTL!! Also, we praise God that 5 people gave their lives to Jesus Christ in repentance and faith at the event! Glory to God!

Here are a couple of testimonies that I received:

“Last night, our waiter at the diner, Zach, got teary-eyed when I talked to him about the Lord and asked if he could give me a hug. He said he’s been aware of not following God, and was just talking to his wife about it. He said it was just what he needed to have me talk to him. I gave him the PTL booklet with a note inside and my email and the names of 2 good local churches.”

“My husband and I attended your training session this past weekend in Rock Hill. We are grateful for the training and on our hour and half drive home we had wonderful and amazing conversation. We stopped for dinner and I stepped out of my comfort zone and ask the waitress if she had anything we could pray for. It was wonderful opening a dialogue to open the conversation about Christ. I felt uncomfortable and all the fears came at me but it was a blessing.”

We also completed our first Walk thru the Bible Old Testament seminar in a church in Oley, PA that we had attended for 11 years. It had snowed overnight so not everyone showed up, but we did have a total of 77 people attend. Out of all of these seminars that I have done, I must say that this was one of the best groups in terms of how quickly they learned and remembered the material I was teaching. In fact, they were doing so well, I asked if any volunteers wanted to step up and lead the group in one of the review sessions. Sure enough, two different ladies volunteered at separate times to lead it. I have never done that before, but it was a load of fun. As I went through the evaluation forms, I praised God for 3 people who had given their lives to Jesus Christ at the event!!

2022 ULTIMATE ADVENTURE TRIP TO UTAH

We still have room and are in need of some more people for this year's Ultimate Adventure trip to Utah. No experience is necessary. It is open to married and single adults, families, and teens (high school age and older). Younger teens are welcome to come, but they must have at least one parent on the trip. Reservations are difficult to come by and I need to know ASAP if you are interested. More info is on our website. All we need for now is a \$500 deposit for each person. Please contact me if you're interested.

PLEASE PRAY WITH US

- SCHEDULE - This is a regular request each month. Our ministry only continues by word of mouth.
- Pray that God will use my book to open new doors of ministry. Everywhere I go, people tell me that no one is teaching what I am teaching. But it is still the best kept secret! Pray boldly with me....I have been praying that someone at Focus on the Family would read my book, recognize the uniqueness of what I teach and do an interview with me. That exposure would fill our schedule for sure! We don't have because we don't ask!
- For continued good health and travel mercies.

Love in Christ,

Cathy and Don
