

“Share your faith every day as a way of life!”

### ***How the Lord Used Us in March, 2022***

Hello, Brothers and Sisters in Christ!

This month we completed 3 M.A.D. Live Events. We also spent a week at Daytona Bike Week sharing the Gospel with the Divine appointments that God had arranged for us. This year was special as we had 6 “newbies” come along to observe, learn, and put into practice what they had been taught. What a huge blessing it was for me to see them sharing Christ with THEIR Divine appointments! I didn’t need to prod or push them to do it. They had their Spiritual radar on and were faithful with the opportunities that God had put in front of them. PTL!! Personally, I shared the Gospel with 42 people that week and was able to lay hands on 41 of them and pray for them.

*Twice this past month, I was asked to share the Gospel at our church’s food pantry ministry. Here’s what happened the second time: I shared a message with a group of people that came through at the same time. Then a man named David came through by himself. I sat down with him and had a long conversation with him one-on-one. He was an army sniper with several kills. Then he became a 1 percenter (a motorcycle gang member) and did more horrific things. At one time he was robbed at gunpoint, and eventually tracked the perp down, shoot and killed him, while wounding four of his associates. Then he burned the man’s house down. David was arrested and spent years in prison. After becoming a grandfather, he resigned from the biker gang. He has been coming to our food pantry for years and I shared God’s plan of salvation with him. He said he wasn’t ready to make this decision. My brother Bob began to pray for him silently, and all of a sudden, David sat up straight, shifted his body to the front of the chair, and said, “Something just came over me. I need to make this decision NOW!” WOW! The Holy Spirit fell on this man like I’ve never seen before! I reminded him what he needed to do and in his own words he prayed for salvation, giving his heart and life to Jesus Christ! He cried at the end of the prayer, which brought tears to my eyes, as well as the others who were there. I stood up and said, “David, there’s great rejoicing in the presence of angels over the decision you just made. Stand up. I want to be the first one to welcome you to the family of God!” We hugged and the others in the area also hugged him and praised God for what we just witnessed. It’s incredible what God allows us to be a part of!*

I was also blessed to be interviewed by WJTL in Lancaster, PA on the 23<sup>rd</sup> regarding our equipping ministry. Lord willing this will open new doors of ministry for us.

We have changed our weekly “accountability” and testimony/story sharing hour to be held the first and third Wednesdays of each month at 7 PM. We have a small group of committed Christ followers who participate and are striving to share their faith every day as a lifestyle. All have been challenged and encouraged as we share the Divine appointments that God had given us since our last get together. If you’re interested in checking it out, let me know, and I will send you the info so you can “Zoom” in. You can just sit, listen, learn, and be encouraged by attending, or ask questions

and share if you want to. No pressure! We have a sister-in-the-Lord in NJ who Zooms in for every session. You are welcome too!

### **PLEASE PRAY WITH US**

- For the first time, I was asked to share a Gospel message for an evangelistic crusade of sorts. It was organized by a sister-in-the-Lord from NC. It will be held at First Baptist Church in Mars Hill, NC on the evening of April 9<sup>th</sup>. I'd like to have the event, the organizers and the speakers bathed in prayer. Would you please commit to pray for a great attendance, many salvations, and trust that God would be honored and glorified in it?
- SCHEDULE - This is a regular request each month. Our ministry only continues by word of mouth. Thank you for your prayers and any help you can provide by talking about our training. God is answering our prayers!
- I was in contact with the folks at Focus on the Family. They are considering and evaluating whether they'd like to do an interview with me. Prayers for this would be appreciated!
- We praise God for answered prayer and for our trip to Utah this summer. The trip is full and we look forward to hosting it for the 15<sup>th</sup> time.
- For continued good health and travel mercies.

Love in Christ,

*Cathy and Don*
