

"Share your faith every day as a way of life!"

February 2023 Monthly Report

Hello Brothers and Sisters in the Lord!

We completed three M.A.D. Live Events in February, equipping another 157 people to begin sharing their faith in obedience to Christ. We praise God for 5 salvations this month at our events! We have also surpassed a major milestone, having equipped over 40,000 people in 36 states to begin sharing Jesus with their lost world.

I need to express our gratitude for our partnership with Billy Graham's radio network, "The Light FM" for hosting two events with us in January. These two events have opened up more doors for continued ministry than we've ever seen before. So far, we have received 11 church bookings as a result of the exposure we got at these two January events, and there are more to come! You'll see some of these bookings in our schedule that I've listed below. Thank you, Lord for their partnership with us! What a blessing they are!

I was blessed to share the Gospel at our church's food pantry twice this month, and I continue to share the Gospel one-on-one with Divine appointments and police officers and veterans that I cross paths with.

We were blessed to get our ministry pickup truck back this month. If you've read our monthly letters, it has been laid up waiting for a new engine since October 8th. \$22,000 later, we have a new engine making travel and ministry so much easier having this tool to use every week. We are so grateful to everyone who contributed to help pay for the repair. God bless you!

We have been having a weekly Thursday Night Zoom meeting to share stories of Divine appointments and how the Lord is using each person. This is a great opportunity to sit in and learn from others who have taken our training and are working to make sharing their faith a lifestyle. You're all welcome to attend. Just send me a note or email and I'll send you the link. It runs from 8-9 PM, although we won't be having one for the next 2 weeks as we will be traveling.

Here's a testimony I received today:

"Thank you [Don Sunshine](#) for allowing God to use you, and teaching 1000s each year about not only how to share Christ with strangers, but how we are commanded to be bold and speak out. Since the conference I have been able to fulfill the burden I have had for so long of stepping out and sharing Christ. Today, God sent me to a restaurant, to a waitress and to a certain area in the bldg to bless her. She was so busy, always a blur as she came by our table. so I couldn't speak to her But God knew what he was doing. When we were through eating, I finally found her in one spot, at the waitress station, restocking clean glasses. I was able to walk over, hand her her tip and ask if there was anything I could pray about for her. Her eyes immediately teared up and she said, "YES! Oh my goodness, you are heaven sent!" She proceeded to tell me about her daughter, who has decided there is no God, and has chosen an abusive relationship over her mom and stopped talking to her. She is worried about her situation, but most of all her daughter's soul. We held hands and prayed together...as I prayed, she was praying along with me...I could just feel God's presence! After we prayed she came out around the table and we hugged. I handed

her her tip and told her that she probably didn't need that 1 million-dollar tract I had put in there, but she could give it to someone else. She looked at me again, with more tears and said she had tracts just like those in her pocketbook, but someone had broken into her car last week and stole her purse. I went back over to my table, opened my purse and took out some of the million-dollar tracts, along with 2 other styles, took them to her and said...Here is a miscellaneous bundle packet! She teared up again and said she just couldn't believe it. I told her God loved her...and it was NO mistake that she was my waitress today, God had it all planned out and was making sure she knew He loved and cared about here. What a BLESSING!!! If you read this to end, shout up a prayer for Vicky and her daughter. 🙏”
