

“Share your faith every day as a way of life!”

## **March 2023 Monthly Report**

Hello Brothers and Sisters in the Lord!

In my daily devotions, I was reading the Disciples’ Study Bible and this comment was made about Matthew 10:5-10: “They were to go where he sent them, go to the lost, proclaim the good news of the kingdom, meet people’s needs, give of themselves freely, and rely on God’s provision.” This was the same commitment we made to God when He called us to serve Him for the rest of our lives, and we are so blessed to be able to do this every day. My prayer is that He will keep us healthy enough to continue to serve Him until He either takes us home, or comes back for His bride!

I went to share the Gospel at Daytona Bike Week for the 24<sup>th</sup> year. I was blessed to share the Gospel with quite a few people including motorcycle riders, vendors, police officers, veterans, and restaurant servers. While in Daytona, I completed one M.A.D. Live Event and I did 3 additional Live Events during March, equipping an additional 314 people to begin sharing their faith in Christ every day as a lifestyle. We praise God for one man who surrendered his life to the Lordship of Jesus Christ in repentance and faith at one of the events!

In addition, I had the privilege of doing two seminars at the Iron Sharpens Iron Men’s Conference in Hamburg, NY. 700 men attended this Saturday event. A man in one of my seminars told me that fourteen years ago, he had me do a M.A.D. Live Event for his Baptist Youth meeting at Keuka College in NY. He told me his son got saved at that event and he is now a Pastor! Wow! That made my day! I love how God occasionally gives us a glimpse of the impact we are

having as we serve Him in the ministry He has called us to do. PTL!! While having lunch with the outreach Pastor in Midlothian, VA after setting up for our Live Event, God brought in a girls Premier Soccer Team from Scotch Plains, NJ, and seated them right next to us. With my background in NJ and being a 30 year soccer official, I went over to the table and asked the parents and coaches if I could share something with the team and pray for them. They agreed. I was able to share the Gospel with all of them, hand out Gospel tracts to each person and pray for them. The parents and coaches were so touched.

On my way up to NY for the men's conference, I was blessed to speak for 45 minutes at a men's breakfast in Washington, PA. They have asked me to speak at one of their future weekend men's retreats and we'll work on the details.

We have been having a weekly Thursday Night Zoom meeting to share stories of Divine appointments and how the Lord is using each person. This is a great opportunity to sit in and learn from others who have taken our training and are working to make sharing their faith a lifestyle. You're all welcome to attend. Just send me a note or email and I'll send you the link. It runs from 8-9 PM.

### **PLEASE PRAY WITH US**

- For continued good health so we can continue to serve Christ and safety as we travel.
- My son-in-law, Mike, is having the reversal surgery to remove the ostomy bag and reconnect his plumbing on March 29<sup>th</sup>. It is a long surgery and there are a number of bad things that can happen. God has been so faithful and merciful to him since the accident on September 14<sup>th</sup>, and we are trusting Him to complete the healing He has been a huge part of since the accident. Please pray with us for a completely successful surgery with no complications, and a quick recovery!!!
- For Mike's continued healing and for God to provide for their financial needs.
- For the interview with Focus on the Family to happen.
- For our schedule after June and beyond.

Love in Christ, *Cathy and Don*
