

"Share your faith every day as a way of life!"

April 2023 Monthly Report

Hello Brothers and Sisters in the Lord!

We thank God for a wonderful month of ministry! We completed 6 M.A.D. Live Events this month. All of these events were a direct result of our partnership with "The Light FM". The two events we did with "The Light FM" in January gave us the exposure that opened the doors for April's ministry. This radio network has been such a blessing to us and we so appreciate their love, friendship, and support! A pastor's wife included this statement on her evaluation form at one of these events, ***"This was the most encouraging, engaging, instructional presentation on witnessing I've ever heard."*** Glory to God!!!

At our April events, we equipped another 177 people to begin sharing Christ and making disciples in obedience to Christ. Also, we praise God that 6 people made decisions to surrender their lives to the Lordship of Jesus Christ in repentance and faith at our events!

From the Pocket testament League – "Don, We at the League appreciate that you have shared how you have a love for the Word of God, and we are grateful that you have shared some of your story with us. Thank you for faithfully sending your newsletter filled with stories of how you are encouraging others to share their faith with the Gospels!! We used the information you sent us and have curated another one of your stories, so that others can read it and be encouraged. Here is the Feature Story curated:

Don is a PTL PowerSharer who trains hundreds of men to share their faith with the pocket Gospels of John. He travels to many cities holding what he calls... M.A.D Live Events and Iron Sharpens Iron Men's Conferences. Recently, he equipped 314 people to begin sharing their faith in Christ with the Gospel of John as part of their everyday lifestyle. Don recounted,

'I also try to be faithful to share Gospels myself with those I meet. This year was my 24th at Daytona Bike Week and I simply offered the pocket Gospel to motorcycle riders, vendors, police officers, veterans, and restaurant servers.'

While Don was personally sharing his faith with the pocket Gospel, one man surrendered his life to the Lordship of Jesus Christ in repentance and faith!

At a recent Iron Sharpens Iron Men's Conference, with 700 men in attendance, Don was approached by a man who told him that fourteen years prior, at a M.A.D. Live Event for Youth, his son was saved, received the pocket Gospel and he is now a Pastor!

Thank you for your continued faithfulness in helping to encourage others to share their faith with the Gospels of John by sharing your stories. We appreciate you!!"

We are approaching the summer months, and for the first time in 15 years, we will not be doing our Ultimate Adventure trip to Utah. We had an incredible final trip last year with 24 people participating. The logistics, reservations, and planning have become more and more difficult. So, we won't be hosting

them going forward. I am considering doing some off-road and motorcycle adventure trips in TN, so if you're interested, please let me know.

Summer is typically a slow time of year for our M.A.D. Live Events, so we plan on filling our schedule with local off-road and motorcycle ministry if we can't get trainings to fill the schedule. I will continue to share the Gospel and pray for police officers and veterans as God crosses my path with them.

We have been having a weekly Thursday Night Zoom meeting to share stories of Divine appointments and how the Lord is using each person. This is a great opportunity to sit in and learn from others who have taken our training and are working to make sharing their faith a lifestyle. You're all welcome to attend. Just send me a note or email and I'll send you the link. It runs from 8-9 PM.

PLEASE PRAY WITH US

- For continued good health so we can continue to serve Christ and safety as we travel.
- PRAISES!!! My son-in-law, Mike's digestive tract has awakened and it is working as God designed it to work. Glory to God! Also, the MRI on his shoulder revealed no tears, so no additional surgery will be required! PTL! And lastly, on April 24th he went back to work 3 days a week. Incredible...God is so good! Thank you for your prayers on their behalf! Not only has He provided miraculous healing, but He has also provided the income so they could continue pay the bills, even with two kids in college. PTL!!
- For Cathy - she still is having problems with the smell and taste of food. The list of foods she can tolerate and eat is getting smaller every week. We've been praying about this since January of last year, and no one has any answers. She is very discouraged about this.
- For the interview with Focus on the Family to happen.
- For our schedule for July and beyond.

Love in Christ,

Cathy and Don
