

“Share your faith every day as a way of life!”

September 2023 Monthly Report

Hello Brothers and Sisters!

We completed three M.A.D. Live Events this month, and next month, Lord willing, we will surpass another milestone having equipped over 41,000 people. Glory to God! Two of our events this past month were in NY State, and came as a result of me doing two breakout seminars at the “Iron Sharpens Iron” Men’s Conference in Hamburg, NY this past March. The other event was held in Hickory, NC.

I keep a small notebook to record the daily Divine appointments that God provides me with. In September I was blessed to share the Gospel message with 43 people, pray with them, and give them some Gospel literature to take with them. God can use what I shared and the Gospel literature at some point in the future to save these people for eternity. My part is done. The rest is up to the Holy Spirit!

We were blessed to have Pastor Mitch and my buddy “Gator” come up from Florida to ride the twisty mountain roads in East TN and Western NC this past month. They stayed at our home for four nights and we did three days of riding. My good friend and brother, Larry, led the rides. Having ridden bicycles on these roads for many years, he knows ALL of the best places to ride! We rode the entire “Snake” in TN and VA, and visited the South Holsten Dam, a large earthen/rock dam not far from our home on the first day. It contains no cement. We rode our motorcycle across the top of the dam to see the beautiful lake. The dam berms in the photo are each 30 feet high...a pretty amazing amount of rock that had to be placed to hold back water that’s 200 feet deep! Day 2 we rode a number of the mountains in the area and trekked to the top of Mt. Mitchell, the highest point east of the Mississippi. Day 3 we traveled to Morgantown, NC to eat lunch at Abele’s Restaurant, one of our favorites. Day 3 was an eventful last day of riding with 4 motorcycles going down in some strange situations. Two of the motorcycles went down while stopped, and the other two incidents were at very slow speeds. We had no other damage other than the windshield on my Indian, and this was without a doubt the strangest day of riding that I’ve had over the 47 years I’ve been riding! It would take too long to share all of the details so I won’t. We’re thankful no one even suffered a skinned knee!

Next month, an old friend and ministry partner (Jack Hager), has arranged for me to come to MO and IA to do some ministry. You'll see the amazing schedule he has planned for me below.

If you're reading this letter, you most likely have attended one of our Live Events at some point. So, are you sharing your faith every day? If not, this would be a great time to approach your Pastor and ask him to bring me back for a refresher and to equip those who didn't attend the last Live Event that I did at your church. Time is short. We all need to obediently tell others about Jesus and I can equip believers to do that! Our ministry continues almost exclusively by word of mouth. We need your help!

PLEASE PRAY WITH US

- For safe travels - we have a lot of driving in October.
- For God's anointing on me and for His Spirit to use the things I share as we minister to impact lives on earth and eternity.
- Our schedule. Please pray that God continues to open doors for us. Our ministry continues almost exclusively through word of mouth and exposure.
- For continued good health so we can continue to serve Christ and safety as we travel.
- To hear back from Focus on the Family about being interviewed on their show.

Love in Christ,

Cathy and Don
