

“Share your faith every day as a way of life!”

November 2023 Monthly Report

Hello Brothers and Sisters!

We completed 3 M.A.D. Live Events in November, each in a different state. We had an awesome month of ministry at our church’s food pantry which is provided twice a month. This ministry allowed us to feed a total of 250 families including 661 family members, and we had quite a number of first-time families come, which is great. We fed 102 families the first Tuesday of the month and another 148 families – which is a new record for our church, on the third Tuesday of the month. On both days, I shared a Gospel message with everyone who came and I planted Gospel seeds in the hearts of 250 family representatives for the Lord to use. Many, many people took Gospel literature with them as they left to get their food. Now it’s up to the Lord to do what He does through His Holy Spirit.

In addition, I shared the Gospel one-on-one with a total of 34 people, and I distributed 13 Pretender cards to all 13 employees at the Doctor’s office where I got my biopsy done. I had some dental work done and gave each of the 8 employees a Pretender card, and 5 employees at the Ear Nose and Throat office got cards as well. Many seeds planted this month for God to use! Glory to God!!!

For those who may be curious as to how I know how many people I shared the Gospel with each month, I carry this small book with me and record each Divine appointment that I get. It’s a way for me to remember who to pray for and to document how the Lord is using me.

Here’s a short testimony I received this month from the teaching I did at the Iron Sharpens Iron (ISI) Men’s conference, and one from our M.A.D. Live Event that I completed in Zarephath, NJ:

“I really want to thank you for your ministry. I’ve gone to many ISI conferences. I have listened and have been able to lead many people to Christ by your evangelism teaching.”

“I went to the evangelism training at Zarephath several weeks ago, it turned my Christianity Life upside down, in a good way, I want to be able do evangelism without fear. I wanted to know is there a zoom group that this ministry does for more training, I would really want to be part of it because I want to be bold in my faith to share the gospel.”

If you’re reading this letter, you most likely have attended one of our Live Events at some point. So, are you sharing your faith every day? If not, this would be a great time to approach your Pastor and ask him to bring me back for a refresher and to equip those who

didn't attend the last Live Event that I did at your church. Time is short. We all need to obediently tell others about Jesus and I can equip believers to do that! Our ministry continues almost exclusively by word of mouth. We need your help!

NEW!!! WALK THRU THE BIBLE "OTLIVE" EVENT

Are you confused when you read the Old Testament? Or do you avoid it because you don't understand it? If either is true, I can help! I have been a "National Instructor" with Walk thru the Bible for many years. Last month I was trained and certified to teach their newest "OTLive" Old Testament seminar. It covers 40 major people, places and events from the Old Testament's history books in chronological order with hand motions. All of this happens in 3 hours including 2 – 15-minute breaks! If you're interested in having me come to teach this in your church, please call me directly.
