Dear Servant of Christ,

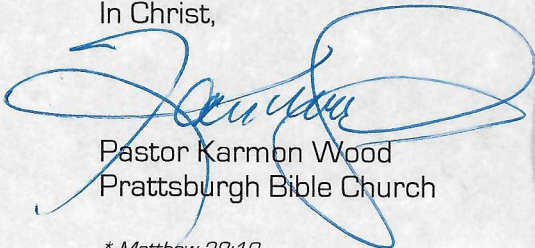

The purpose of this letter is to communicate to you the support and approval of the leadership of Prattsburgh Bible Church in regard to Don Sunshine Ministries.

One cannot deny the fruit of Don's ministry, particularly the Make A Difference training. Hundreds have come to a saving knowledge of Christ at these sessions, and hundreds more have been given the tools and encouragement to "*go and make disciples of all nations.*"* What's more, it's not occasional fruit, but a constantly growing list of souls transformed from death to life, and of saints being equipped to be salt and light in a decaying and dark world.

Don doesn't speak from a book, he shares from experience. Don's doctrine is sound, *sola scriptura*. Leadership also believes the Sunshines to be financially responsible, accountable as members of Prattsburgh Bible Church, and that Don has been gifted by God for evangelizing and teaching.

Personally, I've known Don and Cathy for over 4 years, as co-workers at Family Life Ministries, as neighbors, and also as their pastor. Their dedication to Christ is unwavering, and Don's energy and passion while ministering is contagious. Souls saved, Christians outfitted for service. I believe this ministry will be a blessing to you and your church. If you have any questions or concerns please feel free to contact me at any time.

In Christ,

Pastor Karmon Wood
