Dear Don:

I just wanted to write and say how much we appreciated the MAD "Make a Difference" seminar on November 1, 2008. You did an excellent job in presenting good illustrations that kept the people's attention and certainly were thought provoking to one's mind. I personally was challenged with your "Divine appointments" that we have with people on a daily basis and your challenge to overcome our fears with our faith in Christ.

I was also pleased with the very good attendance we had that evening in seeing over 60 people come out on a Saturday night. That also tells me the body of Christ is interested and desires to be a verbal witness for Jesus in these last days of the Church Age.

Again I want to thank you for coming, your time, your energy and prayer and I would be pleased to recommend you to other churches for the MAD seminar to know Christ, live Christ and declare Christ.

May God bless the ministry that He has called you to and may it grow as you seek Him.

In Christ,

Pastor Thomas R. Davis  
Sr. Pastor
