### *How the Lord Used Us in March of 2015*

Hello Brothers and Sisters in Christ!

I am glad that winter is over and spring is finally here. Now if the weather would just cooperate, we'd be fine. We had a wonderful month of ministry including: 4 MAD Live Events, a Walk thru the Bible Old Testament seminar, I spoke at a men's Lenten Breakfast in CT, and Ron Woudenberg and I traveled to Florida to share Christ with the motorcyclists and others whom God connected us with at Daytona Bike Week. If you didn't follow our travels to Bike Week on Facebook or the Blog on my website, I would encourage you to go to our website and read the daily ministry God allowed us to be a part of while we were there. We shared Christ and prayed for as many as 8 people in one day. I am sure it will bless your heart and encourage you if you take the time to read it. In March, we were blessed to be used of the Lord to see another 12 people come to a saving faith in Christ. Praise the Lord!!

Recently I have been helping a local school district in the morning before my ministry work begins, driving a school bus as they are very short on school bus drivers. I have been sharing Christ with a number of the drivers whom God has connected me with, as well as the Dispatcher. Everyone seemed very open to hear what I had to say. After the first day on the bus, I could see that the road salt was excessively packed all over the bus, and the mirrors and windows were difficult to see out of and use. So the next day I brought in some Windex and paper towels. I cleaned the windshield, side windows and mirrors and headed to the first school. As I drove up there I realized that the mirrors still needed some work. I parked behind several other school district vans that were parked in front of me in the school's driveway loop and got out to clean the mirrors again. As I finished the mirrors on my bus, I believe the Holy Spirit prompted me to clean the van windows and mirrors in front of me. I went to the van in front of me, sprayed Windex on the driver's outside mirror and window and began cleaning them. The lady driving the van got this look of shock, amazement and gratitude as I cleaned them for her. She smiled, rolled her window down, and thanked me profusely. Apparently, no one had ever done that for her before. I then cleaned the mirror and the window on the passenger side, and proceeded to the van in front of her and did the same thing. I then had the opportunity to share a Gospel of John with each of the drivers. One of the ladies has been seeing specialists in Reading because her breasts are full of lumps, and to top it off, she has a history of breast cancer in her family. The doctors said it was so serious that they couldn't help her, and that she had to go to Hershey to see the specialists there. I told her I'd be praying for her and suggested she go to my church and have the folks in the prayer room anoint her with oil and pray for her. She said she would go and did. This past week she had her appointment with the Docs in Hershey and after much testing, they told her that they couldn't find anything wrong with her! Praise God! I told her that God healed her body and he wants to heal her soul. We talked for 40 minutes and Cathy and I will be having dinner with her soon to talk further.

Here is one of the testimonies I received this month:

*“Mr. Don - I want to thank you for the AWESOME presentation you brought to Spring Valley! I would like to share something with you. I took a couple of the gospel booklets and put them in my purse today I was at A.C. Moore and I got talking to the cashier and as I left out the doors the Lord reminded me of my booklet, so I talked myself into going back in the store. This was my first time I ever done this. I went back in the store and looked for the cashier I offered her a booklet to my surprise she gave me a hug and suggested we exchange phone numbers:)))) So thank you once again for impacting my life so I can share Jesus with the Lost!! God Bless you and may God continue to impact other believers thru your wonderful teaching to get out and spread the Great news!”*

Smoky Mountains Motorcycle Adventure - We still have room for this June trip. Please contact us ASAP if you're interested. It is \$395 per person and more info is available on our website.

### **PRAYER REQUESTS**

**In the 6 ½ year history of our ministry, we have never had a single month where we didn't have at least one MAD Live Event scheduled on a Sunday. That all appears to be changing in 2015. For the first time, we don't have ANY MAD Live Events on any Sundays in April, May or June of this year...and no events on Saturdays in June either! We need your help and prayers more than ever.**

- \*\*\*For our 2015 schedule to fill (see above)
- \*\*\*We have now had radio spots running on Word FM since the beginning of February. We just received our second phone call as a result of the spots. Praise God! We humbly ask that you make a daily commitment to pray for the success of the Non-profit radio spots. These represent our biggest opportunity for exposure. Please pray that the spots generate phone calls and MAD Live Event bookings.
- We ask for continued prayers for good health and safety as we travel and minister, and that hearts will be open to the Holy Spirit.

Love in Christ,

*Cathy and Don*
