To Whom It May Concern:

We recently held a Go MAD Training at our church in Lockport. This event was life changing! The information that Don brings forth has the power to unlock doors to sharing the gospel in daily, practical ways.

Don's presentation equips the attendees with revelation about being a witness and what it truly means to be a follower of Christ. He uses stories, visual clips and handouts which make the training easy to follow and enjoyable to be at. The training not only equips us to reach out, but it has a compelling way of motivating us to do it too. I wholeheartedly endorse this training and encourage church leaders and pastors to consider either hosting a training event or supporting an already scheduled event.

My wife and I had the pleasure of hosting Don in our home, as well. It was awesome to not only be able to hear his heart through his training session, but to witness it in our home. He definitely has the heart of an evangelist and is a gift to the body of Christ to equip us to be a light to the part of the world God has called us to.

Blessings,

Tim Dombrowski
