To whom it may concern:

Don Sunshine presented his MAD training at our church several weeks ago. It was fantastic! In fact it was so good that I have booked him to do a Sunday morning presentation in April. I want more of our congregation to be exposed to this clear and encouraging presentation of the Gospel and the call to share our faith effectively.

Don uses powerful illustrations! I especially liked his Titanic illustration. He makes it clear that we are called to a rescue mission..

I appreciated Don's definition of evangelistic faithfulness. Our faithfulness is not defined by the response. We are faithful if we clarify two things, that people need to be converted and how they can be.

Don uses stories that stir excitement in the Christian soul. He makes it fun with his great sense of humor and best of all, people who have been coming to church for years finally understood the Gospel and trusted Christ.

MAD training is a great tool for equipping and mobilizing the Church to share our story and thereby to advance the Kingdom of God.

For His glory,

Pastor Jay O'Connor
