*How The Lord Used Us In March of 2016*

Greetings in the powerful name of Jesus!

We are still getting settled in our new home....slowly. In March we completed 3 MAD Live Events and traveled to Daytona to share Christ with the people whom God connected us with. I was blessed to have our Chairman of the Board, and dear friend, Ron, accompany me on the trip. We were also blessed to have another dear friend, Charlie York meet us in Florida to minister together. God gave us many opportunities to share the love of Christ with people while traveling down and back, as well as while we were in Daytona. We were blessed to be able to share Christ, Gospel literature, and pray with a number of people. Here's one of my

favorite experiences from Daytona: *"I took a demo ride on the new Victory Octane. As I exited the demo area, a young man with a Victory shirt came over to me to ask what I thought of the bike. His name was Jason and he was one of the Mechanical Engineers who designed and built the Octane. We talked about motorcycles for a while and I finally asked him what he believed. He said he was a Christian. I asked what kind of a Christian? He said, "A Catholic Christian." I told him that I was raised Catholic and shared my testimony with him. He told me that he went to Catholic schools his whole life. I asked him if he had ever heard the term "born again". He said he had never heard of it. I then asked, "If I told you that Jesus said that unless you are born again you can never see or enter the Kingdom of God, would that concern you?" He said, "Yes!!!! It would!!!" I then gave him a Gospel of John and explained it was in John Chapter 3. I told him that he would find the exact same words from Jesus in his Bible if he looked. I shared the plan of salvation with him and asked if I could pray for him while we were standing there in the vendor area. He agreed and I placed my hand on his shoulder and prayed for his salvation. He took the Gospel and thanked me. I wrote my name and number in the front in case he had questions."*

Although the attendance at all three MAD Live Events in March were low, we were very excited to see 12 people respond to the prompting of the Holy Spirit and give their lives to Christ in repentance and faith at the events. Praise God!!!

I received an encouraging note from a donor who donated to the ministry using a credit card:

*“Great notes! Videos helped to underscore the point of the seminar. Terrific speaker! Feel the Holy Spirit’s prompting me to trust and share the Gospel and not worry - find common ground first. Expect most might not respond but seeds are planted and God will grow them in His time.”*
