HOW THE LORD USED US IN APRIL OF 2013

Can you say PRAISE GOD!!!!

1 Men's Group Speaking Engagement

8 MAD Live Events

563 people trained (we have now surpassed 17,000 people trained)

34 people saved this month! (868 total)

The statistics tell the story. WHAT A MONTH OF MINISTRY! **All glory and honor to God!** We are so blessed to be used of the Lord to help equip the church and rescue as many people as we can for all of eternity. Our thanks go to our Father, and then to each of you who pray for us and sacrificially give so our work may continue. We are working as hard as we can to have the greatest impact on the world for eternity. I was blessed to speak at a men's group dinner in Mechanicsburg, PA this month. There were 50-60 men in attendance and we shared a great time of praise, fellowship, and a meal (fried chicken)! I will be returning to this church in the fall to teach the MAD Live Event.

We are looking forward to the 6th annual Smoky Mountains Motorcycle Adventure next month. My son John and his family will be coming along for the first time. He has never ridden on these roads so it will be a real adventure for him! We'll almost be having a family reunion while we're there. I have one brother who lives in TN and two others will be in town for a visit. One is traveling in from Indiana and the other from Colorado. I am so looking forward to the trip and seeing them again!

I was very excited to have a man who is on the Board of Directors of the Christian Motorcyclists Association attend one of the MAD Live Events this week. He had flown into PA to be with his family prior to heading to a Board meeting in ME so they brought him to the event. I am praying God will use that experience to open some new doors of ministry with the CMA.

God continues to use the MAD Live Event to change lives and equip the Body of Christ to share Him with a world that's lost its way. I thrive on the testimonies that I receive each month. They confirm that what we are doing for Christ is working and that the Lord is using the people we have trained to plant and water gospel seeds in people's hearts. I share testimonies each month with you to encourage you and so you may join me in thanking God for what He is doing in these last days. Here's a few testimonies to bless your heart!

"Don, Your conference on Saturday literally changed our family's lives. We are "Christians"...all of us. And on the way home we almost had to pull over because we were all overwhelmed with how far we really were from God's will and purpose for our lives. Our son's heart was completely broken for his teammates on Cross Country who are like brothers to him. We are truly excited that we still have an opportunity to become all that we were created to be for God. That we have opportunities to take people to heaven with us. That we can make changes - you gave us that chance before it was too late!! Don, my husband is a deacon; I am a Sunday School teacher and as you know, a leader in the local teen outreach ministry - how could we be the ones you needed to reach????? It's like our eyes were opened and we are so very grateful. I want you to know that your ministry is having an impact for the glory of God and the advancement of his

kingdom.”

“I have had several opportunities each week to give out pocket Gospel of John booklets to co-workers and to point out the bridge illustration in the front of the booklet. In two cases the people I gave the booklets to were visiting engineers from Switzerland and Germany. Sometimes the act of giving out the Gospel of John has opened the opportunity to talk about the person’s spiritual journey and to explain the gospel in more depth. In other cases I have discovered other workplace followers of Christ and been able to encourage them. Often I have had to trust that the person would read through the booklet and that I will have future opportunities to talk more with them about spiritual matters as the Holy Spirit works in their hearts.

My wife and I have also made it a practice to leave a personalized message in a pocket Gospel of John booklet for our server when we eat out at restaurants, again trusting that the Holy Spirit will prompt them to read the booklet and convict of sin, righteousness and judgment. As I have continued to seek to be an ambassador for Christ I have found that there have been some additions to my fear buttons. The new one, when I give out a Gospel of John and have an opportunity to point out the bridge illustration, but without a further opportunity to talk about how it relates to them personally is, “You’re not doing that right.” I have updated my fear button list to include this new attempt by the enemy to discourage me. May the Lord continue to strengthen you and prosper your ministry.”

“On my birthday I got a free firehouse sub, so when the employee gave me my free sub, I told him I also had a free gift for him. I gave him a gospel of John and gave “Chris” the Gospel and read John 20:30-31 to him inserting his name in that verse as I always do. Many people have never heard their name spoken in connection with God or with Scripture.”
