

The Pocket Testament League Recommends Don Sunshine

Dear Friend,

We wanted to take a minute and introduce you to Don Sunshine.

A gifted speaker and long-time friend of The League, Don Sunshine is a trusted partner for evangelism training. Starting with the question, “How would your life change if every day you could naturally and easily share your faith with one or more people?” Thousands of people have left Don’s training ready to share the Gospel with boldness and ease.

Don’s evangelism training works! He has welcomed over 5,500 new members into The League. These members are passionate about sharing God’s Word. They have proclaimed the Gospel message almost 100,000 times through face-to-face evangelism encounters.

“I attended a Don Sunshine Evangelistic workshop and it changed my life. Don recommended the Pocket Testament and said they were excellent materials and that he uses the Gospels of John all the time. I have become bolder in talking to people and I know these Gospel of John booklets will help me.” - Debby M. From Marion, NC

“Having the Pocket Testaments with me and the motivation I received via the Make a Difference training with Don Sunshine has re-energized my lukewarm (ouch!) witness for our Lord and Savior, Jesus Christ. I need to do my very best for Him!” - Dan K. from Bath, NY

If you have the opportunity to attend a Don Sunshine evangelism event, do it! Or invite him to your church by contacting him online at www.donsunshine.org.
