

Share your faith every day as a way of life!

How The Lord Used Us in March, 2018

Hello Brothers and Sisters:

I never tire of telling you what a great month of ministry we had. We completed 3 MAD Live Events in March. Two was postponed due to snow forecasted for the weekend. We have now trained over 31,000 people to share their faith in Christ! Evaluation forms indicate that 4 more people gave their lives to Christ at our events in March! Please give God praise all the glory!

On a personal note, the first week of March, Cathy went to Disney World with our daughter Jaimie, granddaughter Maya (for her 18th birthday and senior trip), and grandson Landon. They had a great time, but the night before they were to come home, Cathy got blinded by some bus headlights crossing the street and couldn't see a curb. She tripped on it and fell, causing some major bruising on her left shin. We are thankful nothing was broken, but even now it is still sensitive to the touch. Please keep her in your prayers.

Two days after Cathy returned home from her trip, Pastor Ron, Larry (from my church) and I left for Daytona Bike Week. We trailered to Columbia, SC, as we usually do, and the plan was to ride to FL from there. But for the second year in a row, the weather looked really bad, with heavy rain and thunderstorms forecast for the entire trip down. So we trailered to FL, motorcycles in tow. We had the opportunity to interact and share the Gospel with many people on the way down to FL, while we were there, and on the way back. On the return trip I met 2 Florida Highway Patrol officers at a gas station and was able to share the Police Gospel card with them and pray for their safety and salvation. One of these officers was so grateful, that he thanked me 3 separate times, and came over to me and gave me an FHP Patch! While at Bike Week, I wrote a daily BLOG on my website and on our ministry Facebook page, so please check there for details of each day of ministry, and praise God with us for what He allowed us to be a part of.

Here is an encouraging testimony that I received after last month's MAD Live Event in Roanoke with "The Journey FM:

"Before the first session was over I kept thinking....This is a life changing experience!! And I have been a Jesus follower for 49 years. THANK YOU!!!!!! The first session stirred me greatly! I have been saved since 1969 and I am 71 years old. My husband and I have been witnessing for years, but this session lit a fire in me or shall I say rekindled a burden for souls. Your ministry and the power of the stories and your life and videos are effective and inspiring."

PRAYER REQUESTS

- SCHEDULE – thank you so much for praying. God has graciously answered our prayers and gave us a great schedule for the first 4 months of this year. **We only have 2 MAD Live Events scheduled for the 3 months of summer. Many Sundays in the fall are open as well.** Please continue to pray and help us if you can.
- If the summer months continue to be lean training-wise, I plan on spending some of those weekends on the trails doing the off-road ministry.
- For God to keep us healthy and flu-free as He has blessed us with a great schedule we want to complete.
- That God's Spirit would move powerfully in the hearts of those attending our events.
- We have been blessed to have a Sister in the Lord translate our MAD Live Event into Spanish. We are in need of someone to present the MAD Live Event in Spanish speaking churches. Would you pray for God to bring us someone who could do this as we seek to expand the ministry? The person should have what I call the "3 P's": They must be "**P**racticing" it every day, they must be "**P**assionately" about it, and they must be able to "**P**rofessionally present" the material.
- Healing - Cathy's bruised leg and the continual problems I am having with the tendon in my left knee. Next week I have an appointment with a specialist. I will be exploring the possibility of having a stem cell injection in the knee to cure this once and for all. Rest easy...they are not embryonic stem cells.
- **Last year I taught 49 events in 7 states. With all of the traveling we do, I have been praying for God to lay it on someone's heart to donate a new or almost new RV for us to use in ministry. This would also be used so we can stay at the off-road parks and not have to drive back and forth every day, saving 5 hours of travel per day. It doesn't have to be a huge motor home, just one with a bathroom/shower, kitchen, and sleeping area. Would you also pray about this? It's a big request, but we have a BIGGER God. Thanks!**

Love in Christ,

Cathy and Don
